

# Welcome

**REAL**  
*delicious*  
**SOUP**

Vibrant soup, scratch-made in Minneapolis with simple, whole ingredients. We support small, local farms using sustainable growing practices. Soup brought to life -- real, delicious and easy. Enjoy!

**BUY**  
ONE  
**GIVE**  
ONE

For every quart of our scratch-made soup purchased, we donate a bowl to community members in need. We're delighted to give back with you!

**100%**  
*delicious*  
**GUARANTEE**

We hope you love your soup! We set a high bar for deliciousness, but if we don't meet yours, let us know and we'll make it right. Email us: [eatlocal@simpls.com](mailto:eatlocal@simpls.com)

# *Soup on a Mission*

We're here to create positive change for people and the planet! We do this through sustainable sourcing, giving soup and donating 1% of all SALES to non-profits focused on creating a healthier planet through food. Check out our partners below.

Farm to School enriches the connection communities have with fresh, healthy food and local producers by changing food purchasing and education practices at schools and early care settings.

Second Harvest Heartland works to end hunger in the Midwest through community partnerships; helping neighbors find their next meal so they can thrive at work, in the classroom and in their communities.

Land Stewardship Project fosters an ethic of stewardship for farmland, to promote sustainable agriculture and to develop healthy communities. Built on core values of stewardship, justice and democracy.

# *Local Roots*

We were founded by two Minnesotans in 2014 pursuing the simple premise that real food made with whole ingredients should be accessible. We love our community and we're so happy to be working together with you to create a better world.

Help us spread the word! The more we share, the more we can care for our community.
